

## Order of the Day

### 3. BILL FOR THIRD READING

#### 3.1. Central Registry Bill 2018 – Third Reading approved

Mr Skelly to move:

*That the Central Registry Bill 2018 be read a third time.*

**The Speaker:** Item 3, Bill for Third Reading: the Central Registry Bill 2018. I call on Mr Skelly to move.

**Mr Skelly:** Gura mie eu, Loayreyder.

5 The principal purpose of this Bill is to formally establish a Central Registry under the auspices of the Department for Enterprise, placing on a statutory basis a number of functions transferred from the General Registry and currently performed by our Department under the delegation of the Chief Registrar. Normally, such actions would be performed by a transfer of functions order; however, as the General Registry is not included in the Government Departments Act 1987, a  
10 separate Bill is required in this instance.

The Bill also includes a number of minor amendments to legislation to ensure that it reflects changes in practice which have occurred as a result of other governmental restructuring and new working practices, especially those driven by technological change.

15 Finally, it provides a legislative basis for the Island's Criminal Injuries Compensation Scheme. The Bill will complete the transfer of functions from the General Registry into a fully functioning Central Registry, which in conjunction with the wider Department for Enterprise enables it to work effectively towards the achievement of our vision to be a forward-thinking valued partner supporting Island businesses and people to fulfil their potential.

20 Loayreyder, I beg to move the Bill be read for a third time.

**The Speaker:** Hon. Member for Onchan, Mr Callister.

**Mr Callister:** Thank you, Mr Speaker.

25 I beg to second and reserve my remarks.

**The Speaker:** If no Hon. Member wishes to speak, I put the question that the Central Registry Bill 2018 be read for a third time. Those in favour, please say aye; those against, no. The ayes have it. The ayes have it.
