CAPACITY BILL 2022

- 1 A **BILL** to make provision relating to the property, financial affairs and health
2 and welfare of persons who lack capacity and for establishing the principles to
3 be applied for such purposes, for lasting powers of attorney, and for connected
4 purposes

BE IT ENACTED by the Queen's Most Excellent Majesty, by and with the advice and consent of the Council and Keys in Tynwald assembled, and by the authority of the same, as follows: —

5 PART 1 – INTRODUCTORY

6 1 Short title

7 The short title of this Act is the Capacity Act 2022.

8 2 Commencement

9 (1) This Act comes into operation on such day or days as the Department of
10 Health and Social Care by order appoints.

11 *Tynwald procedure – Laying only.*

12 (2) An order under subsection (1) may provide for a provision of this Act
13 which comes into force before another provision of this Act has come into
14 force to have effect, until the other provision has come into force, with
15 specified modifications.

16 (3) An order under subsection (1) may include such supplemental, incidental,
17 consequential and transitional provisions as appear to the Department to
18 be necessary or expedient.

PART 2 - PERSONS WHO LACK CAPACITY

DIVISION 1: PRINCIPLES AND PRELIMINARY

3 The principles

- (1) The following principles apply for the purposes of this Act.
- (2) A person must be assumed to have capacity unless it is established that person lacks capacity.
- (3) A person is not to be assumed to lack capacity because of that person's, —
 - (a) age;
 - (b) appearance;
 - (c) condition (whether permanent or temporary);
 - (d) behaviour (or an aspect of that behaviour).
- (4) A person is not to be treated as unable to make a decision unless all practicable steps to help that person to do so have been taken without success.
- (5) A person is not to be treated as unable to make a decision merely because that person makes or may make an unwise decision.
- (6) An act done under this Act for or on behalf of a person who lacks capacity must be done in that person's best interests.
- (7) A decision made under this Act for or on behalf of a person who lacks capacity must be made in that person's best interests.
- (8) Before the act is done, or the decision is made, regard must be had to whether the purpose for which it is needed can be as effectively achieved in a way that is less restrictive of the person's rights and freedom of action.

4 Lack of capacity

- (1) For the purposes of this Act, a person lacks capacity in relation to a matter if at the material time that person is unable to make a decision for themselves in relation to the matter because of an impairment of, or a disturbance in the functioning of, the mind or brain.
- (2) The impairment or disturbance may be permanent or temporary.
- (3) In proceedings under this Act or any other enactment, any question whether a person lacks capacity within the meaning of this Act must be decided on the balance of probabilities.
- (4) No power which a person may exercise under this Act in relation to any other person who lacks, or is reasonably thought to lack capacity, is exercisable in relation to such a person under the age of 16.
- (5) Subsection (4) is subject to section 25(3).

- 1 **5 Inability to make decisions**
- 2 (1) For the purposes of section 4, a person is unable to make a decision for
3 themselves if that person is unable to, —
- 4 (a) understand the information relevant to the decision,
5 (b) retain that information for an appropriate period,
6 (c) use or weigh that information as part of the process of making the
7 decision, or
8 (d) communicate their decision (whether by talking, using sign
9 language or any other means).
- 10 (2) A person is not to be regarded as unable to understand the information
11 relevant to a decision if they are able to understand an explanation of it
12 given to them in a way that is appropriate to their circumstances (using
13 simple language, visual aids or any other means).
- 14 (3) The information relevant to a decision includes information about the
15 reasonably foreseeable consequences of —
- 16 (a) deciding one way or another, or
17 (b) failing to make the decision.
- 18 (4) A period of time is appropriate (regardless of its length) if it is —
- 19 (a) of sufficient duration to enable the person to make a decision,
20 (b) apt in the circumstances in which it is given, and
21 (c) apt for the purpose for which it is given having regard to whether
22 that purpose is for a single event or state of affairs or a continuing
23 event or state of affairs.
- 24 (5) The Department may make regulations as to the steps to be taken to assist
25 a person to make a decision for themselves.

- 26 **6 Best interests**
- 27 (1) This section applies where a person (“D”) is determining, for the purposes
28 of this Act, what is in a person’s (“P”) best interests.
- 29 (2) In making the determination D must not make it merely on the basis of —
- 30 (a) P’s age or appearance, or
31 (b) a condition of P’s (whether permanent or temporary), or an aspect
32 of P’s behaviour.
- 33 (3) D must consider the circumstances of which D is aware and which it
34 would be reasonable to regard as relevant.
- 35 (4) D must, so far as reasonably practicable, permit and encourage P to
36 participate, or to improve P’s ability to participate, as fully as possible in
37 any act done for P and any decision affecting P.

- 1 (5) D must consider whether it is likely that P will at some time have capacity
2 in relation to the matter in question, and if it appears likely that P will,
3 when that is likely to be.
- 4 (6) Where D considers that P is likely to have capacity in the future in relation
5 to the matter in question D must, if D considers it in P's best interests to
6 do so, postpone the making of the determination in relation to that matter.
- 7 (7) In making a determination, D must if it is practicable and appropriate to
8 do so, consult —
- 9 (a) anyone named by P as someone to be consulted on the matter or
10 matters in question or on matters of that kind,
- 11 (b) anyone engaged in caring for P or interested in P's welfare,
- 12 (c) any donee of a power of attorney granted by P, and
- 13 (d) any delegate appointed for P by the court,
- 14 as to what would be in P's best interests.
- 15 (8) Where any person mentioned in subsection (7) has been consulted, D must
16 take into account their views (if any) on —
- 17 (a) what would be in P's best interests, and
- 18 (b) the matters mentioned in subsection (9)(a) to (d).
- 19 (9) D must consider, so far as is reasonably ascertainable —
- 20 (a) P's past and present wishes and feelings whether expressed orally,
21 in writing or by behaviour,
- 22 (b) any relevant written statement made by P when P had capacity,
- 23 (c) the beliefs and values that would be likely to influence P's decision
24 if P had capacity, and
- 25 (d) the other factors that P would be likely to consider if P were able to
26 do so including those which were not present when P made an
27 expression of P's wishes in relation to a particular matter.
- 28 (10) Where ascertainable, the matters referred to in subsection (9) are to be the
29 paramount consideration of D when determining what is in P's best
30 interests.
- 31 (11) Where the determination relates to life-sustaining treatment, D —
- 32 (a) must not, in considering whether the treatment is in the best
33 interests of P, be motivated by a desire to bring about P's death;
- 34 (b) is not under an obligation to provide, or continue to provide, life –
35 sustaining treatment which D does not consider to be in P's best
36 interests.
- 37 (12) The duties imposed by this section also apply in relation to the exercise of
38 any powers which are exercisable under a lasting power of attorney or are
39 exercisable by a person under this Act where that person reasonably
40 believes that another person lacks capacity.

- 1 (13) In the case of an act done, or a decision made, by a person other than the
2 court, there is sufficient compliance with this section if (having complied
3 with the requirements of this section) that person reasonably believes that
4 what that person does or decides is in the best interests of the person
5 concerned.

6 7 **Meaning of “C” and “P”: sections 8 to 10**

7 In sections 8 to 10, “C” means a person who does an act in connection with the
8 care or treatment of another person (“P”) and C includes a person who instructs
9 another person to act in connection with the care or treatment of P.

10 8 **Acts in connection with care or treatment**

- 11 (1) If, —
12 (a) before doing such an act in connection with the care and treatment
13 of P, C takes reasonable steps to establish whether P lacks capacity
14 in relation to the matter in question, and
15 (b) when doing the act, C reasonably believes that P lacks capacity in
16 relation to the matter and that it will be in P’s best interests for the
17 act to be done,
18 the act is one to which this section applies.
- 19 (2) C does not incur any liability in relation to the act that C would not have
20 incurred if P had had capacity to consent in relation to it and had done so.
- 21 (3) Nothing in this section excludes C’s, —
22 (a) civil liability for loss or damage, or
23 (b) criminal liability,
24 resulting from C’s negligence in doing the act.
- 25 (4) Nothing in this section affects the operation of sections 35 to 37 or excuses
26 C from any liability resulting from C’s failure to follow a valid and
27 applicable advance decision to refuse treatment.

28 9 **Section 8: limitations**

- 29 (1) If C does an act that is intended to restrain P, section 8 does not apply to
30 that act unless, —
31 (a) C reasonably believes that it is necessary to do the act in order to
32 prevent harm to P, and
33 (b) the act is a proportionate response to the likelihood of P suffering
34 harm (whether physical, psychological, financial or other harm)
35 and the seriousness of that harm.
- 36 (2) For the purposes of this section, C restrains P if C, —

- 1 (a) uses, or threatens to use, force to secure the doing of an act which
2 P resists, or
- 3 (b) restricts P's liberty of movement, whether or not P resists.
- 4 (3) Section 8 does not authorise a person to do an act which conflicts with a
5 decision made, within the scope of their authority and in accordance with
6 this Part, by, —
- 7 (a) a donee of a power of attorney granted by P, or
8 (b) a delegate appointed for P by the court.
- 9 (4) Subsection (5) applies where a decision is sought from the court as to
10 whether a decision by a donee or delegate referred to in subsection (3)
11 prevents the provision of life sustaining treatment or might cause a serious
12 deterioration in P's condition.
- 13 (5) Where this subsection applies, nothing in subsection (3) stops a person, —
14 (a) providing life-sustaining treatment, or
15 (b) doing any act which that person reasonably believes to be
16 necessary to prevent a serious deterioration in P's condition.

17 **10 Expenditure**

- 18 (1) If an act to which section 8 applies involves expenditure, it is lawful for C
19 to do the following, —
- 20 (a) to pledge P's credit for the purpose of the expenditure;
21 (b) to apply money in P's possession for meeting the expenditure.
- 22 (2) If the expenditure is borne for P by C, it is lawful for C to be reimbursed
23 out of money in P's possession or to be otherwise indemnified by P.
- 24 (3) Subsections (1) and (2) do not affect any power under which (apart from
25 those subsections) a person, —
- 26 (a) has lawful control of P's money or other property, and
27 (b) has power to spend money for P's benefit.

28 **11 Payment for necessary goods and services**

- 29 (1) If necessary goods or services are supplied to a person who lacks capacity
30 to contract for the supply, that person must pay a reasonable price
31 for them.
- 32 (2) "Necessary" means suitable to a person's condition in life and to that
33 person's actual requirements at the time when the goods or services are
34 supplied.
- 35 (3) "Services" includes the provision of accommodation.

DIVISION 2: LASTING POWERS OF ATTORNEY

12 Lasting powers of attorney

- (1) A lasting power of attorney is a power of attorney under which an individual donor confers on one or more donees authority to make decisions about either or both of the following, —
- (a) the donor's health and welfare or specified matters concerning the donor's health and welfare;
 - (b) the donor's property and financial affairs or specified matters concerning the donor's property and financial affairs,
- and which includes authority to make such decisions in circumstances where the donor no longer has capacity.
- (2) A lasting power of attorney is not created unless the following are satisfied —
- (a) section 13 is complied with,
 - (b) an instrument conferring authority of the kind mentioned in subsection (1) is made and registered in accordance with Schedule 1, and
 - (c) at the time when the donor executes the instrument, the donor has reached the age of 18 and has capacity to execute it.
- (3) An instrument which purports to create a lasting power of attorney but which does not comply with this section, section 13 or Schedule 1 confers no authority.
- (4) The authority conferred by a lasting power of attorney is subject to —
- (a) the provisions of this Act and, in particular, sections 3 and 6, and
 - (b) any conditions or restrictions specified in the instrument.

13 Appointment of donees

- (1) A donee of a lasting power of attorney which relates only to the donor's health and welfare must be a named individual who has reached the age of 18.
- (2) A donee of a lasting power of attorney which relates only to the donor's property and financial affairs, must be a named individual who has reached the age of 18 or a trust corporation.
- (3) An individual who is bankrupt may not be appointed a donee of a lasting power of attorney in relation to the donor's property and financial affairs.
- (4) Subsections (5) to (9) apply in relation to an instrument under which two or more persons are appointed to act as donees of a lasting power of attorney.
- (5) The instrument may appoint them to act —

- 1 (a) jointly,
2 (b) jointly and severally, or
3 (c) jointly in respect of some matters and jointly and severally in
4 respect of others.
- 5 (6) To the extent to which it does not specify whether they are to act jointly or
6 jointly and severally, the instrument is to be assumed to appoint the
7 donees to act jointly.
- 8 (7) If they are to act jointly, a failure, as respects one of them, to comply with
9 the requirements of subsections (1) to (3) or Part 1 or 2 of Schedule 1
10 prevents a lasting power of attorney from being created.
- 11 (8) If they are to act jointly and severally, a failure, as respects one of them, to
12 comply with the requirements of subsections (1) to (3) or Part 1 or 2 of
13 Schedule 1 —
- 14 (a) prevents the appointment taking effect in that person's case, but
15 (b) does not prevent a lasting power of attorney from being created in
16 the case of the other or others.
- 17 (9) An instrument used to create a lasting power of attorney, —
- 18 (a) cannot give the donee (or, if more than one, any of them) power to
19 appoint a substitute or successor, but
- 20 (b) may itself appoint a person to replace the donee (or, if more than
21 one, any of them) on the occurrence of an event mentioned in
22 section 16(4) which has the effect of terminating the donee's
23 appointment.
- 24 (10) The Department may by regulations specify who may not be appointed as
25 a donee of a lasting power of attorney.

26 **14 Lasting powers of attorney: restrictions**

- 27 (1) A lasting power of attorney does not authorise the donee (or, if more than
28 one, any of them) to do an act that is intended to restrain the donor, unless
29 three conditions are satisfied.
- 30 (2) The first condition is that the donor lacks, or the donee reasonably believes
31 that the donor lacks, capacity in relation to the matter in question.
- 32 (3) The second condition is that the donee reasonably believes that it is
33 necessary to do the act in order to prevent harm to the donor.
- 34 (4) The third condition is that the act is a proportionate response to the
35 likelihood of the donor suffering harm (whether physical, psychological,
36 financial or other harm) and the seriousness of that harm.
- 37 (5) For the purposes of this section, the donee restrains the donor if
38 the donee, —

- 1 (a) uses, or threatens to use, force to secure the doing of an act which
2 the donor resists, or
- 3 (b) restricts the donor's liberty of movement, whether or not the donor
4 resists,
- 5 or if the donee authorises another person to do any of those things.
- 6 (6) Where a lasting power of attorney authorises the donee (or, if more than
7 one, any of them) to make decisions about the donor's health and welfare,
8 the authority, —
- 9 (a) does not extend to making such decisions in circumstances other
10 than those where the donor lacks, or the donee reasonably believes
11 that the donor lacks, capacity,
- 12 (b) is subject to sections 34 to 37, and
- 13 (c) extends to giving or refusing consent to the carrying out or
14 continuation of a treatment by a person providing health care for
15 the donor.
- 16 (7) Subsection (6)(c)—
- 17 (a) does not authorise the giving or refusing of consent to the carrying
18 out or continuation of life-sustaining treatment, unless the
19 instrument contains express provision to that effect, and
- 20 (b) is subject to any conditions or restrictions in the instrument.

21 15 Gifts

- 22 (1) Where a lasting power of attorney confers authority to make decisions
23 about the donor's property and financial affairs, it does not authorise a
24 donee (or, if more than one, any of them) to dispose of the donor's
25 property by making gifts except to the extent permitted by subsection (2).
- 26 (2) The donee may, if satisfied that it is in the donor's best interests to do so,
27 make gifts, —
- 28 (a) on customary occasions to persons (including the donee) who are
29 related to or connected with the donor, or
- 30 (b) to any charity to whom the donor made or might have been
31 expected to make gifts,
- 32 if the value of each such gift is not unreasonable having regard to all the
33 circumstances and, in particular, the size of the donor's estate.
- 34 (3) "Customary occasion" means, —
- 35 (a) the occasion or anniversary of a birth, a marriage or the formation
36 of a civil partnership, or
- 37 (b) any other occasion on which presents are customarily given within
38 families or among friends or associates (taking into account the
39 donor's past and present wishes and feelings).

1 (4) Subsection (2) is subject to any conditions or restrictions in the instrument.

2 **16 Revocation of lasting powers of attorney etc.**

3 (1) This section applies if, —

4 (a) the donor has executed an instrument (“the instrument”) with a
5 view to creating a lasting power of attorney but which has not yet
6 been registered, or

7 (b) a lasting power of attorney (“the power”) is registered as having
8 been conferred by the donor.

9 (2) The donor may, at any time when the donor has capacity to do so,
10 revoke, —

11 (a) the instrument;

12 (b) the power.

13 (3) Where the instrument or the power relates to the donor’s property and
14 financial affairs, the donor’s bankruptcy revokes that instrument or that
15 power (as the case may be).

16 (4) A donee’s appointment is terminated upon the occurrence of any of the
17 following events —

18 (a) the disclaimer of the appointment by the donee in accordance with
19 such requirements as may be prescribed for the purposes of this
20 section in regulations made by the Department;

21 (b) the death of the donee;

22 (c) the bankruptcy of the donee where the power is in respect of the
23 donor’s property and financial affairs;

24 (d) where the donee is a trust corporation, its winding-up or
25 dissolution;

26 (e) subject to subsection (7), the dissolution or annulment of a
27 marriage or civil partnership between the donor and the donee;

28 (f) the lack of capacity of the donee which is more than temporary.

29 (5) Upon the occurrence of an event referred to in subsection (4) the
30 instrument conferring the donee’s power to act for the donor is revoked
31 unless subsection (6) applies.

32 (6) This subsection applies where —

33 (a) the donee is replaced under the terms of the instrument;

34 (b) the donee is one of two or more persons appointed to act as donees
35 jointly and severally in respect of any matter and, after the event,
36 there is at least one remaining donee.

37 (7) The dissolution or annulment of a marriage or civil partnership between
38 the donor and the donee does not terminate the appointment of a donee,
39 or revoke the power, if the instrument provides that it does not do so.

17 Protection of donee and others if no power created or power revoked

- (1) Subsections (2) and (3) apply if, —
- (a) an instrument has been registered under Schedule 1 as a lasting power of attorney, but
 - (b) a lasting power of attorney was not created,
- whether or not the registration has been cancelled at the time of the act or transaction in question.
- (2) A donee who acts in purported exercise of the power does not incur any liability (to the donor or any other person) because of the non-existence of the power unless at the time of acting the donee, —
- (a) knows that a lasting power of attorney was not created, or
 - (b) is aware of circumstances which, if a lasting power of attorney had been created, would have terminated the donee's authority to act as a donee.
- (3) Any transaction between the donee and another person is, in favour of that person, as valid as if the power had been in existence, unless at the time of the transaction that person has knowledge of a matter referred to in subsection (2)(a) or (b).
- (4) If the interest of a purchaser depends on whether a transaction between the donee and the other person was valid by virtue of subsection (3), it is conclusively presumed in favour of the purchaser that the transaction was valid if, —
- (a) the transaction was completed within 12 months of the date on which the instrument was registered, or
 - (b) the other person makes a statutory declaration, before or within 3 months after the completion of the purchase, that they had no reason at the time of the transaction to doubt that the donee had authority to dispose of the property which was the subject of the transaction.
- (5) Where two or more donees are appointed under a lasting power of attorney, this section applies as if references to the donee were to all or any of them.

18 Powers of court: validity of lasting powers of attorney

- (1) This section and section 19 apply if, —
- (a) a person ("P") has executed or purported to execute (but not registered) an instrument with a view to creating a lasting power of attorney, or
 - (b) an instrument has been registered as a lasting power of attorney conferred by P.
- (2) The court may determine any question relating to, —

- 1 (a) whether one or more of the requirements for the creation of a
2 lasting power of attorney have been met;
- 3 (b) whether the power has been revoked or has otherwise come to
4 an end.
- 5 (3) Where the court is satisfied of any of the matters referred to in
6 subsection (4), it may, —
- 7 (a) direct that an instrument purporting to create the lasting power of
8 attorney is not to be registered, or
- 9 (b) if P lacks capacity to do so, revoke the instrument or power in
10 relation to a donee (or if there is more than one, so far as it relates
11 to any of them).
- 12 (4) Those matters are, —
- 13 (a) that fraud or undue pressure of any sort was used to induce P to
14 execute an instrument for the purpose of creating a lasting power
15 of attorney;
- 16 (b) that fraud or undue pressure of any sort was used to induce P to
17 create such a lasting power of attorney;
- 18 (c) that the donee (or, if more than one, any of them) of a lasting power
19 of attorney has behaved, is behaving, or proposes to behave in a
20 way that contravenes the donee's authority or is not in P's best
21 interests.
- 22 (5) "Donee" includes an intended donee.

23 **19 Powers of court in relation to operation of lasting powers of attorney**

- 24 (1) The court may determine any question as to the meaning or effect of a
25 lasting power of attorney or an instrument purporting to create one.
- 26 (2) The court may give directions with respect to the decisions which the
27 donee has authority to make but which P lacks capacity to make.
- 28 (3) The court may give any consent or authorisation to act which the donee
29 would have to obtain from P if P had capacity to give it.
- 30 (4) The court may, if P lacks capacity to do so, —
- 31 (a) give directions to the donee with respect to the rendering by the
32 donee of reports or accounts and the production of records kept by
33 the donee for that purpose;
- 34 (b) require the donee to supply information or produce documents or
35 things in the donee's possession as donee;
- 36 (c) give directions with respect to the remuneration or expenses of the
37 donee (whether or not the power makes provision for such
38 matters);

- 1 (d) relieve the donee wholly or partly from any liability which the
 2 donee has or may have incurred on account of a breach of the
 3 donee’s duties where the donee has acted honestly and reasonably.
- 4 (5) The court may authorise the making of gifts which are not within
 5 section 15(2).
- 6 (6) Where two or more donees are appointed under a lasting power of
 7 attorney, this section applies as if references to the donee were to all or any
 8 of them.

27 (3) The powers under section 23 as respects any other matter relating to P's

- 10 (2) An advance decision is not valid if A has —
- 11 (a) withdrawn the decision at a time when A had capacity to do so,

15 advance decision relates, or
16 (c) acted (whether by doing, saying or writing) in a way which is
17 clearly inconsistent with —
- 18 (i) A's advance decision, and
19 (ii) that decision remaining A's fixed decision.
- 20 (3) An advance decision is not applicable to life-sustaining treatment
21 unless, —
- 22 (a) the decision is verified by a statement by A to the effect that it is to
23 apply to that treatment even if life is at risk, and
24 (b) the decision and statement comply with subsection (4).
- 25 (4) A decision or statement complies with this subsection only if, —

36 **37 Effect of advance decisions**

- 37 (1) If A has made an advance decision which is valid and applicable to a
38 treatment, it has effect as if A had made it, and had had capacity to make

1 it, at the time when the question arises whether the treatment should be
2 carried out or continued.

3 (2) A person does not incur liability for carrying out or continuing the
4 treatment unless, at the time of doing so, that person is satisfied that a
5 valid advance decision exists which is applicable to the treatment.

6 (3) A person does not incur liability for the consequences of withholding or
7 withdrawing a treatment from A if, at the time of doing so, that person
8 reasonably believes that a valid advance decision exists which is
9 applicable to the treatment.

10 (4) The court may make a declaration as to whether an advance decision —

11 (a) exists;

12 (b) is valid;

13 (c) is applicable to a treatment.

14 (5) While a decision as respects the validity or applicability of an advance
15 decision is sought from the court, nothing in that decision stops a
16 person, —

17 (a) providing life-sustaining treatment, or

18 (b) doing any act that person reasonably believes to be necessary to
19 prevent a serious deterioration in A's condition.

- 20 and society.
- 21 (3) Intrusive research must not be carried out unless the following conditions
- 22 are satisfied.
- 23 (4) The first condition is that the research —

- 27 (b) has the aim of contributing, through significant improvement in the
- 28 scientific understanding of P’s condition, to results capable of
- 29 conferring a benefit to P or others with the same or a similar
- 30 condition as P.
- 31 (5) The second condition is that the risk to P from taking part in the research
- 32 is likely to be minimal and entails only a minimal burden for P, and that
- 33 anything done to, or in relation to, P will not interfere with P’s freedom of
- 34 action or privacy in a significant way or be unduly invasive or restrictive.
- 35 (6) Nothing may be done to, or in relation to, P in the course of the research —
- 36 (a) to which P appears to object (whether by showing signs of
- 37 resistance or otherwise) except where what is being done is

intended to protect P from harm or to reduce or prevent pain or discomfort, or

- (b) which would be contrary to —
- (i) an advance decision of P's to refuse treatment which is valid and applicable, or
 - (ii) any other form of statement made by P and not subsequently withdrawn,
- of which the person conducting or responsible for the research is aware.

(7) The Cabinet Office may make regulations in respect of intrusive research and such regulations may, in particular, make provision about, —

- (b) the circumstances which may make research intrusive for the purposes of this section;
- (c) the requirements to be met before the Cabinet Office will approve intrusive research;
- (d) the consultation of P's carers or representatives including the circumstances in which it is to take place and the matters to be consulted on;

- (f) the circumstances when P may be withdrawn from the research;
- (g) the safeguards which must apply to, and during the course of, intrusive research;
- (h) the circumstances where research in respect of P may be continued notwithstanding a loss of capacity on P's part;

3 Wills: requirements relating to execution

- (1) Sub-paragraph (2) applies if under section 23 the court makes an order or gives directions requiring or authorising a person (“the authorised person”) to execute a will on behalf of P.

4 Wills: effect of execution

- (1) This paragraph applies where a will is executed in accordance with paragraph 3.
- (2) The *Wills Act 1985* has effect in relation to the will as if it were signed by P’s own hand, except that, —
 - (a) section 3 of that Act (requirements as to signing and attestation) does not apply, and

- 1 (b) in the subsequent provisions of that Act any reference to execution
2 in the manner required by the previous provisions is to be read as
3 a reference to execution in accordance with paragraph 3.
- 4 (3) The will has the same effect for all purposes as if, —
5 (a) P had had the capacity to make a valid will, and
6 (b) the will had been executed by P in the manner required by the *Wills*
7 *Act 1985*.
- 8 (4) But sub-paragraph (3) does not have effect in relation to the will, —
9 (a) in so far as it disposes of immovable property outside the Island, or
10 (b) in so far as it relates to any other property or matter if, when the
11 will is executed P is domiciled outside the Island and the condition
12 in sub-paragraph (5) is met.
- 13 (5) The condition is that, under the law of P's domicile, any question of P's
14 testamentary capacity would fall to be determined in accordance with the
15 law of a place outside the Island.

16 **5 Vesting orders ancillary to settlement etc.**

- 17 (1) If provision is made by virtue of section 25 for —
18 (a) the settlement of any property of P, or
19 (b) the exercise of a power vested in P of appointing trustees or retiring
20 from a trust,
21 the court may also make, as respects the property settled or the trust
22 property, such consequential vesting or other orders as the case may
23 require.
- 24 (2) The power under sub-paragraph (1) includes, in the case of the exercise of
25 such a power, any order which could have been made in such a case under
26 Part 4 of the *Trustee Act 1961*.

27 **6 Variation of settlements**

34 circumstances.
- 35 (2) Any such order may give such consequential directions as the court thinks
36 fit.

1 **7 Vesting of stock in curator appointed outside the Island**

- 2 (1) Sub-paragraph (2) applies if the court is satisfied —
- 3 (a) that under the law prevailing in a place outside the Island, a person
- 4 (“M”) has been appointed to exercise powers in respect of the
- 5 property or affairs of P on the ground (however formulated) that P
- 6 lacks capacity to make decisions with respect to the management
- 7 and administration of P’s property and financial affairs, and
- 8 (b) that, having regard to the nature of the appointment and to the
- 9 circumstances of the case, it is expedient that the court should
- 10 exercise its powers under this paragraph.
- 11 (2) The court may direct —
- 12 (a) any stocks standing in the name of P, or
- 13 (b) the right to receive dividends from the stocks,
- 14 to be transferred into M’s name or otherwise dealt with as required by M,

- 32 property disposed of.
- 33 (2) The person takes the same interest, if and so far as circumstances allow, in
- 34 the property representing the property disposed of.
- 35 (3) If the property disposed of was real property, any property representing
- 36 it is to be treated, so long as it remains part of P’s estate, as if it were real
- 37 property.
- 38 (4) The court may direct that, on a disposal of P’s property —

- 1 (a) which is made by virtue of section 25, and
 2 (b) which would apart from this paragraph result in the conversion of
 3 personal property into real property,
 4 property representing the property disposed of is to be treated, so long as
 5 it remains P's property or forms part of P's estate, as if it were personal
 6 property.
- 7 (5) References in sub-paragraphs (1) to (4) to the disposal of property are to —
