Subject: Q1 - 29 June House of Keys Commitment

Dear Mr President, Mr Speaker, Honourable Members

In my answer to Q1 during this morning Sitting of the House of Keys, I committed to providing Honourable Members with the date that I was first given the report of the Working Party on Libraries.

Tynwald resolved that the Council of Ministers' Working Party on Libraries should report by December 2019. Mrs Barber MHK as Chair of the Working Party advised Tynwald in December 2019 that the Working Party would report by May 2020 due to the lack of response to the request for data from the Island's libraries.

Council of Ministers considered the report of the Working Party on 2 July 2020. Council of Ministers agreed to refer the matter to its Social Policy and Children's Committee (SPCC) for further consideration and engagement with Departments.

Kind regards
Howard
